# Dear Residents

## **B/C pool & Spa heating shut down**

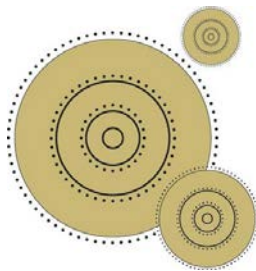

As approved by the owners at the recent 2018 AGM the B/C pool & spa heating will be turned off over winter commencing **Fri 11<sup>th</sup> May** until further notice.

For the brave among us the pool can still be used but with the water unheated and we ask that the pool cover be replaced after use.

**The spa for the first time will now not be heated over winter.**

We apologise for any inconvenience.

General queries should be directed to your Building Manager David Lucas on 0401 803 530
